

there are THREE types of All Purpose ROK™-Strap and each type is available in several lengths

use ROK™-Straps where ever a reliable hold is required

Double shank hook for double strength

Plastic coated non-scratch hooks

Sewn-in hooks for increased strength

Rot resistant & UV protected materials for safer, longer working life

Flat cord resists rolling, increases strength and protects cargo

100% natural rubber for superior stretch and tear resistance

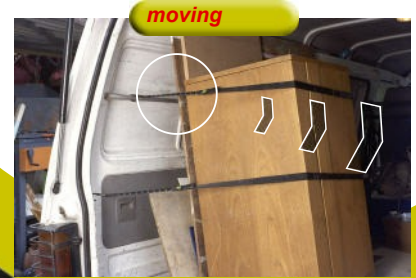

Tough polyester web (like a car seat belt) stitched into a ROK™-Solid double shank hook at each end

Easy length adjustment with ultra tough ROK™-Web buckle

Strong yet simple clip-fit joiner makes securing so easy - and safe

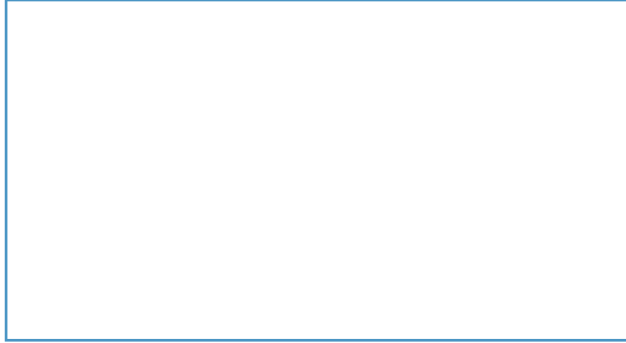

Heavy Duty 25mm ROK™-Strap shock cord stitched into a ROK™-Solid double shank hook at each end
